DOMINION ORDERS IN COUNCIL.

P.C. 1176.

THE FOLLOWING IS A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 27TH JUNE, 1923.

THE Committee of the Privy Council have had before them a report, dated 20th June, 1923, from the Minister of the Interior, stating that the Vancouver Power Company, of Vancouver, British Columbia, has applied to purchase Fractional Legal Subdivisions 13 and 14 of Section 3, Township 5, Range 7, west of the 7th meridian, containing approximately 38.9 acres, to protect its power-station on adjoining lands.

In 1912, when the Company first applied to purchase the above land, it was under lease for quarrying purposes. It was represented by the Company that blasting operations would seriously affect the power-station, which had cost over \$1,000,000. The Company acquired the quarrying rights, which it has now relinquished to the Department, and the land applied for is therefore clear. Favourable reports have been received from officers of the Department of the Interior showing that the land is not suitable for agricultural purposes, is not valuable for the timber growing thereon, and that the Company should have control of it to protect the power-station. The land has been valued at \$10 per acre and the purchase price has been paid in full.

The Minister recommends that Legal Subdivisions 13 and 14 of Section 3, Township 5, Range 7, west of the 7th meridian, be sold to the Vancouver Power Company at the rate of \$10 per acre.

The Committee concur in the foregoing recommendation and submit the same for approval.

Assl. Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a report, dated 25th July, 1923, from the Acting Minister of the Interior, stating that an application has been made to the Department of the Interior on behalf of the Canadian Western Lumber Company, Limited, for the renewal of a lease granted to the Fraser River Lumber Company, Limited, on the 1st March, 1911, for the right to occupy a portion of the bed of Pitt River in the Railway Belt of the Province of British Columbia, for booming purposes in connection with the extensive lumbering operations of the Company:

The original lease to the Fraser River Lumber Company, Limited, was authorized by the Governor General in Council on the 27th February, 1911, P.C. 372.

The lease was assigned by the Fraser River Lumber Company, Limited, to the Canadian Western Lumber Company, Limited.

The renewal of the lease has been favourably reported upon by the Assistant Deputy Minister of Marine and Fisheries and by the District Engineer of the Department of Public Works.

The Minister, therefore, recommends that he be authorized to renew the lease granted to the Fraser River Lumber Company, Limited, which has been assigned to the Canadian Western Lumber Company, Limited, for a term of ten years from the 1st of March, 1921, and to insert a clause for the further renewal for a further term of ten years subject to cancellation upon six months' notice by the Minister. The annual rental is to be \$50 per annum instead of \$10 per annum as in the original lease; and to be on such further terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.
